INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Commissioners
City of Neoga
Neoga, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Neoga, Illinois, as of and for the year ended April 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Neoga, Illinois' basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Neoga, Illinois, as of April 30, 2021, and the respective changes in financial position, and, where applicable, cash flows and the respective budgetary comparison for the General Fund, Employee Benefits Fund, and Tax Increment Financing Fund thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the schedule of changes in net pension liability and related ratios and the schedule of employer contributions on pages 42 through 44 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Neoga, Illinois' basic financial statements. The combining and individual nonmajor fund financial statements, consolidated year-end financial report required by the Illinois Grant Accountability and Transparency Act, and other information section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the consolidated year-end financial report are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the consolidated year-end financial report are fairly stated in all material respects in relation to the basic financial statements as a whole.

The other information section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 29, 2021, on our consideration of the City of Neoga, Illinois' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Neoga, Illinois' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Neoga, Illinois' internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Commissioners
City of Neoga
Neoga, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Neoga, Illinois, as of and for the year ended April 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Neoga, Illinois's basic financial statements and have issued our report thereon dated October 29, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Neoga, Illinois's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Neoga, Illinois's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Neoga, Illinois's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described below, we did identify certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider deficiencies 2021-1 and 2021-2 described below to be material weaknesses.

2021-1 Financial Statement Preparation:

The City is required to maintain a system of controls over the preparation of financial statements, including the related notes, in accordance with accounting principles generally accepted in the United States of America, which should include adequately trained personnel with the knowledge and expertise to prepare and or thoroughly review the financial statements to ensure they are free of material misstatements and include all required disclosures. Although management reviews the financial statements prior to their issuance, management does not possess adequate expertise and the potential exists that a material misstatement of the financial statements or disclosure omissions could occur and not be prevented or detected by the City's internal control. Management has chosen to accept that degree of risk because of cost and other considerations for an entity of their size and structure.

Response: Management agrees with the finding. Due to the small size of our municipality and limited funds, it is not possible to hire additional personnel.

2021-2 Restatement of Previously Issued Financial Statements:

We detected an instance of material misstatement from the prior year that was corrected during the year under audit as a prior period adjustment. In the prior year, a \$54,999 grant receivable and related grant revenue were recorded for the wastewater treatment plant improvement project. It was determined that the engineering costs incurred would not be reimbursed by the USDA grant and instead would be paid from the USDA loan. The City had to restate net position for the business-type activities and the sewer fund in the proprietary fund financial statements.

Response: Management agrees with the finding. It has been corrected.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider deficiencies 2021-3 and 2021-4 described below to be significant deficiencies.

2021-3 Organizational Structure:

The size of the City's accounting and administrative staff precludes certain internal controls that would be preferred if the governmental unit was large enough to provide optimum segregation of duties. This situation dictates that the Mayor and Council remain involved in the financial affairs of the City to provide oversight and independent review functions.

Response: Management agrees with the finding.

2021-4 Cash Security and Control Over Check Stock:

During our audit, we noted multiple instances of pre-signed checks with dual signatures for four different grant bank accounts. To reduce the possibility of the unauthorized use of cash, signing blank checks should be prohibited and blank check stock should be stored in a secure location, such as a locked box or cabinet accessible only to those with proper authorization.

Response: Management agrees with the finding and has corrected it.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Neoga, Illinois's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City of Neoga, Illinois' Response to Findings

City of Neoga, Illinois' responses to the findings identified in our audit are described above. City of Neoga, Illinois' response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CITY OF NEOGA, ILLINOIS
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
April 30, 2021

Total fund balance - total governmental funds		\$ 2,194,449.74
Amounts reported for governmental activities in the statement of net position are different because:		
Capital assets used in governmental activities are not current financial resources and, therefore, are not reported in the governmental funds balance sheet. This is the amount by which capital assets of \$2,929,510.54 exceeds accumulated depreciation of \$1,027,346.10.		1,902,164.44
Certain prepaid expenses do not require current financial resources. Therefore, these prepaid expenses are not reported as an asset in the governmental funds balance sheet.		28,133.55
Certain receivables reported in the statement of net position are not available as current financial resources and, therefore, are reported as deferred inflows of resources in the governmental funds balance sheet.		15,845.90
Deferred inflows and outflows of resources related to certain changes in the net pension asset (liability) are not yet recognized in pension expense, are not current financial resources and, therefore, are not reported in the governmental funds balance sheet.		
Deferred outflows of resources	33,053.47	
Deferred inflows of resources	(254,590.00)	(221,536.53)
The net pension asset (liability) is the difference between the total pension asset (liability) and fiduciary net position of the plan and is not due and payable in the current period, and, therefore, is not reported in the governmental funds balance sheet.		126,352.00
Long-term liabilities are not due and payable in the current period and, therefore, they are not reported in the governmental funds balance sheet.		
Accumulated vacation and sick pay	28,589.45	
Other long-term liabilities, due within one year	29,988.07	
Other long-term liabilities, due in more than one year	182,840.83	(241,418.35)
Net Position of Governmental Activities		\$ 3,803,990.75

The accompanying notes are an integral part of these financial statements.

CITY OF NEOGA, ILLINOIS
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCE OF GOVERNMENTAL FUNDS TO THE
STATEMENT OF ACTIVITIES
For the Year Ended April 30, 2021

Net change in fund balance - total governmental funds	\$ 344,120.31
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report capital outlay as expenditures. However, in the government-wide statement of activities, the cost of those assets are allocated over their estimated useful lives as depreciation expense. This is the amount of capital assets recorded in the current period.	167,418.50
Depreciation expense on capital assets is reported in the government-wide statement of activities, but they do not require the use of current financial resources. Therefore, depreciation expense is not reported as an expenditure in the governmental funds.	(89,873.01)
Certain prepaid expenses reported in the statement of activities do not require the use of current financial resources and are, therefore, not reported as expenditures in the governmental funds.	(10,616.69)
Certain revenues reported in the statement of activities are not available as current financial resources and, therefore, are not reported as revenues.	15,845.90
The change in the net pension asset (liability) does not require the use of current financial resources and, therefore, is not reported as an expenditure in the governmental funds.	230,627.00
Deferred outflows of resources related to certain changes in the net pension asset (liability) are not yet recognized in pension expense, are not current financial resources and, therefore, are not reported in the governmental funds.	(13,186.87)
Deferred inflows of resources related to certain changes in the net pension asset (liability) are not yet recognized in pension expense, are not current financial resources and, therefore, are not reported in the governmental funds.	(137,317.00)
Some expenses reported in the statement of activities do not require the use of current financial resources; and therefore, are not reported as expenditures in the governmental funds.	
Increase in accumulated vacation and sick pay	(2,750.16)
Decrease in other long-term liabilities	24,182.03
Change in Net Position of Governmental Activities	\$ 528,450.01

The accompanying notes are an integral part of these financial statements.

The accompanying notes are an integral part of these financial statements.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the City of Neoga, Illinois, conform to accounting principles generally accepted in the United States of America as applicable to governments.

The following is a summary of the City's more significant accounting policies:

- a) Reporting Entity – The City is governed by an elected Mayor and Commissioners. The City is considered to be a primary government and has no component units over which it exercises significant influence. Significant influence or accountability is based primarily on operational or financial relationships with the City.
- b) Basis of Presentation – The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund balances, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The City's basic financial statements include both government-wide and fund financial statements. Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. The City's general, special revenue, and permanent funds are classified as governmental activities, while the City's proprietary funds are classified as business-type activities.

Government-Wide Financial Statements:

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information on all of the nonfiduciary activities of the primary government. The effect of interfund activity, within the governmental and business-type activities columns, has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or identifiable activity is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given program and (2) operating or capital grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Fund Financial Statements:

Separate statements are presented for governmental funds and proprietary funds. These statements present each major fund as a separate column on the fund financial statements. All non-major funds are aggregated and presented in a single column. The following fund types are used by the City:

Governmental Funds:

Governmental funds are those funds through which most governmental functions typically are financed. The acquisition, use and balances of the City's expendable financial resources and the related current liabilities (except those accounted for in the proprietary funds) are accounted for through governmental funds. The measurement focus is on determination of "financial flow" (sources, use and balances of financial resources). The City presented the following major governmental funds:

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

General Fund – is the main operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. All general tax revenues and other receipts that are not restricted by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges and capital improvement costs that are not paid through other funds are paid from the General Fund. The Cemetery Maintenance Fund is combined with the General Fund for financial statement purposes because this fund no longer has substantial restricted or committed inflows.

Special Revenue Funds – are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for certain purposes.

Employee Benefits Fund – is a special revenue fund used to account for employee payroll withholdings and expenditures related to payroll taxes and retirement contributions. The major source of revenue includes the City’s dedicated property tax levy.

Tax Increment Financing Fund – is a special revenue fund used to account for revenues and expenditures related to redevelopment projects within the Neoga tax increment financing area.

The other governmental funds of the City are considered non-major and are as follows:

Motor Fuel Tax Fund – is a special revenue fund used to account for revenues and expenditures related to projects financed by the state gasoline tax collected and distributed by the State of Illinois.

Business District Fund – is a special revenue fund used to account for revenues and expenditures related to redevelopment projects within the Neoga business district area.

Permanent Funds – are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used to support programs of the City.

Cemetery Perpetual Fund – is a permanent fund used to account for interest earned on principal, which is restricted for use on expenditures for the maintenance of City cemeteries.

Proprietary Funds

Proprietary funds are those funds through which the accounting objectives are determinations of operating income, changes in net position, financial position, and changes in cash flows. These funds are accounted for using the economic resources measurement focus which is similar to businesses in the private sector. The City presented the following major proprietary funds:

Enterprise funds are used to account for operations (1) that are financed and operated in a manner similar to private business enterprises--where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (2) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Water Fund – is an enterprise fund used to account for the operations of providing a safe and adequate water supply for fire protection, domestic and industrial use.

Sewer Fund – is an enterprise fund used to account for the operations of providing an adequate sewerage system for the City.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

- c) **Measurement Focus and Basis of Accounting** – Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. Measurement focus is used to describe which transactions are recorded within the various financial statements.

The government-wide financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when the liability is incurred. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. All assets and liabilities, including capital assets and long-term liabilities, are included. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position and cash flows.

The governmental fund financial statements are presented using the current financial resources measurement focus and the modified accrual basis of accounting. Only current financial assets, deferred outflows of resources, liabilities, and deferred inflows of resources are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period. Under the modified accrual basis of accounting, revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or within sixty days after year-end. Also, income taxes have a 120-day availability period in the current year due to delays in distributions from the State of Illinois. Expenditures generally are recorded when a liability is incurred. An exception to this general rule is principal and interest on general long-term debt which is recognized when due and payable.

The proprietary fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. This is the same measurement focus and basis of accounting used on the government-wide financial statements.

- d) **Budgets and Budgetary Accounting** – The City follows these procedures in establishing the budgetary data reflected in the financial statements:
1. A proposed operating budget is submitted to the City council for the fiscal year commencing May 1. The operating budget includes proposed expenditures and the means of financing them.
 2. Public hearings are conducted to obtain taxpayer comments.
 3. Prior to August 1, the appropriations are legally enacted through passage of an appropriation ordinance.
 4. The tax levy ordinance is adopted and filed with the county clerk on or before the last Tuesday in December.
 5. All annual appropriations lapse at fiscal year-end.
 6. All budgets are adopted on a cash basis which is inconsistent with U.S. generally accepted accounting principles (GAAP) which require accrual basis reporting. All budget comparisons presented in this report are on a non-GAAP budgetary basis and are compared with actual cash receipts and disbursements. A reconciliation of the timing differences in excess of revenues over (under) expenditures for the year ended April 30, 2021, is presented below:

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

	General	Employee Benefits	Tax Increment Financing
Excess of receipts, (disbursements) (budgetary basis)	\$ 124,011.33	\$ 2,851.33	\$ 71,111.76
Increase (decrease) in receivables, prepaid expenditures, and inventory	52,473.79	2,988.32	85,169.52
(Increase) decrease in payables, other liabilities, and deferred inflows of resources	(19,424.19)	(3,035.52)	(84,965.52)
Net Change in Fund Balance	\$ 157,060.93	\$ 2,804.13	\$ 71,315.76

- e) Cash and Cash Equivalents – For purposes of the statement of cash flows, all demand and savings accounts and certificates of deposit or short-term investments (including restricted assets) with a maturity of three months or less when purchased are considered to be cash equivalents.
- f) Inventory – Inventory held by the City is priced at cost (first-in, first-out) which approximates market.
- g) Interfund Activity – Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables, as appropriate, and are subject to elimination upon consolidation. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.” Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses. Reimbursements are when a fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental and proprietary funds are netted as part of the reconciliation to the government-wide financial statements. Transfers during the year ended April 30, 2021, were as follows:

	Transfers In	Transfers Out
Governmental Activities:		
General Fund	\$ 20.33	\$ -
Cemetery Perpetual Fund	-	20.33
Total Governmental Activities	\$ 20.33	\$ 20.33

A transfer of \$20.33 was made from the Cemetery Perpetual Fund to the General Fund for interest received on CD being spendable.

- h) Property Taxes – Property taxes are deferred in the fiscal year for which they are levied and are recorded as revenue in the fiscal year in which they are received. Taxes levied and uncollected are carried as an asset of the appropriate fund. The City's property tax calendar is as follows:
1. Property is assessed on January 1 each year.
 2. The tax levy ordinance was adopted and filed with the County Clerk on November 17, 2020.
 3. Property taxes are due to be collected by the County from July through September in two installments in the year following the levy year.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

- i) Capital Assets and Depreciation – Capital assets, which includes property, plant, equipment and infrastructure assets, are reported in the applicable governmental or business-type activities column in the government-wide financial statements and in the fund financial statements for proprietary funds. Land, buildings, storm sewers, sidewalks, traffic signals, water system and improvements, sewer system and improvements, vehicles, and all other infrastructure and improvements other than buildings with an original cost of \$10,000 or more are capitalized. Streets, curbs, bridges and fire apparatus with an original cost of \$50,000 or more are capitalized. Machinery, equipment and computer software with an original cost of \$2,500 or more and office equipment with an original cost of \$1,000 or more are capitalized. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are stated at their fair market value on the date donated. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. The City reports all major general infrastructure assets constructed or acquired in fiscal years ending after April 30, 2004, or that received major renovations, restorations, or improvements during that period. When capital assets are disposed, the cost and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations. Depreciation has been calculated on each class of depreciable property using the straight-line method basis over the following estimated useful lives:

Buildings	50
Bridges	50
Storm sewers	50
Water/sewer system and improvements	30
Sidewalks/bike paths	20
Traffic signals	20
All other infrastructure and improvements other than buildings	20
Streets/curbs/gutters	20
Fire apparatus	20
Vehicles	7
Machinery and equipment	5
Computer software	5
Office equipment	3

- j) Prepaid Expenses – Certain payments reflect costs applicable to future accounting periods. For the government-wide and proprietary fund financial statements, the City uses the interperiod allocation method to allocate the expenditure among appropriate periods. For the governmental fund financial statements, the City uses the nonallocation method which permits expenditure recognition in the period of payment and is more consistent with expendable financial resources.
- k) Operating Revenues and Expenses – The City’s proprietary funds distinguish between operating and nonoperating revenues and expenses. Operating revenues and expenses of the City’s water and sewer funds consist of charges for services (including tap fees) and the cost of providing those services, including depreciation and excluding interest cost. All other revenues and expenses are reported as nonoperating.
- l) Deferred Outflows and Inflows of Resources – The City reports a decrease in net position/fund balance that applies to a future period as deferred outflows of resources in a separate section of its government-wide and proprietary funds statements of net position and the governmental funds balance sheet. The City reported deferred outflows of resources on the government-wide financial statements for unrecognized items not yet charged to pension expense and pension contributions from the City after the measurement date but before the end of the City’s reporting period. The City had no deferred outflows of resources that affect the proprietary fund financial statements in the current year.

The City reports an increase in net position/fund balance that applies to a future period as deferred inflows of resources in a separate section of its government-wide and proprietary funds statements of net position and the governmental funds balance sheet. The City will not recognize the related revenues until a future event occurs. Under the modified accrual basis of accounting, governmental fund revenues are not recognized until available.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

Accordingly, unavailable grant revenue and unavailable property taxes are reported in the government-wide statement of net position and the governmental funds balance sheet. The City reported deferred inflows of resources on the government-wide financial statements for unrecognized items not yet charged to pension expense. The City had no deferred inflows of resources that affect the proprietary fund financial statements in the current year.

- m) Net Position – Government-wide and proprietary fund net position is divided into three components:
1. Net investment in capital assets – consists of the historical cost of capital assets less accumulated depreciation and less any debt that remains outstanding that was used to finance those assets.
 2. Restricted – consists of net position that is restricted by the City’s creditors (for example, through debt covenants), by the state enabling legislation (through restrictions on shared revenues), by both federal and state grantors and by other contributors.
 3. Unrestricted – all other net position is reported in this category.
- n) Fund Balance – The following classifications describe the constraints placed on the purposes for which resources can be used:
1. Nonspendable fund balance – consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.
 2. Restricted fund balance – consists of amounts that are subject to outside restrictions, such as those imposed by creditors, grantors, contributors, or laws and regulations of other governments, or by law through constitutional provisions or enabling legislation.
 3. Committed fund balance – consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government’s highest level of decision making authority (the City Council Members). Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.
 4. Assigned fund balance – consists of amounts that are constrained by the government’s intent to be used for a specific purpose, but are neither restricted nor committed. The intent can be expressed by the City Council Members or by an official or body which the Council delegates authority.
 5. Unassigned fund balance – consists of amounts available for any purpose and positive amounts are reported only in the General Fund.

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances, and finally act to reduce unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

- o) Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

NOTE B - RESTRICTED ASSETS

The amounts reported as restricted assets are cash deposits for amounts held for customer utility meter deposits. The restricted assets as of April 30, 2021 are as follows:

<u>Type of Restricted Assets</u>	<u>Cash</u>
Meter Deposits	\$ <u>12,850.00</u>

NOTE C - CASH DEPOSITS AND INVESTMENTS

The City is allowed to invest in securities as authorized by 30 ILCS 235/2 and 235/6. At April 30, 2021, the City had the following cash and cash deposits:

Governmental Activities:	
Cash on hand	\$ 250.00
Cash deposits	1,967,060.54
Certificates of deposit	<u>13,550.00</u>
	<u>\$1,980,860.54</u>
Business-Type Activities:	
Cash Deposits	<u>\$1,569,638.22</u>

Disclosures Relating to Interest Rate Risk:

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. The City minimizes its exposure to interest rate risk by limiting its purchases of long-term investments and by structuring investments to mature to meet cash requirements. At April 30, 2021, the City had no investments but cash deposits consisted of a certificate of deposit with a local financial institution having a maturity of 12 months.

Disclosures Relating to Credit Risk:

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The City has no investments which are subject to credit risk rating.

Concentration of Credit Risk:

The City's investment policy does not place limitations on the amount that can be invested in any one issuer. Cash deposits held with local financial institutions are exempt from the 5% investment in any one issuer disclosure.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

Custodial Credit Risk:

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. Deposits in federally insured banks and savings and loans are insured up to \$250,000.00 for demand deposits and \$250,000.00 for time deposits per custodian. The City's investment policy requires that all amounts deposited or invested with financial institutions in excess of any insurance limit be collateralized by securities held by the City in the City's name. As of April 30, 2021, of the City of Neoga's total bank balances, \$750,000.00 was secured by federal depository insurance, \$834,989.11 was collateralized with securities held by the pledging financial institution's trust department in the City of Neoga's name, and \$2,000,000.00 was secured by a Federal Home Loan Bank of Chicago irrevocable letter of credit.

Foreign Currency Risk:

Foreign currency risk is the risk that changes in foreign exchange rates will adversely affect the fair values of deposits or investments. None of the City's deposits are directly subject to foreign currency risk.

NOTE D - CAPITAL ASSETS

Capital asset activity for the year ended April 30, 2021, was as follows:

	Balance May 1, 2020	Additions/ Completions	Retirements/ Adjustments	Balance April 30, 2021

Total Business-Type Activities Depreciation Expense	<u>\$ 139,417.25</u>

The City has the following active construction in progress projects:

The City has undertaken drainage improvements on Kepp Avenue. The City was awarded an economic development program grant through the Illinois Department of Transportation to correct drainage issues associated with the extension of Kepp Avenue. The grant is for 50% of the construction and engineering costs. The estimated total cost of the project is \$210,000.00. A bid for drainage project construction was approved from Darad, Inc. for \$65,975.00. As of April 30, 2021, \$120,943.96 had been expended.

The City has undertaken projects to construct water and sewer system improvements. The City was awarded a \$1,280,206.65 community development block grant and \$100,000.00 grants management program through the Illinois Department of Commerce and Economic Opportunity. The total estimated cost of the project is \$1,443,894.60. A bid for construction was approved from Followell Construction Co. for \$1,298,777.00. As of April 30, 2021, \$544,544.30 had been expended for the project.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

The City has undertaken a project to upgrade the wastewater treatment plant to meet IEPA compliance with ammonia levels. The City is constructing an aerated basin system to improve wastewater treatment in order to meet the requirements. The project will be funded with a \$1,100,000.00 loan and a \$480,000.00 grant from USDA Rural Development. Additional funding will be provided by a \$500,000.00 community development block grant through the Illinois Department of Commerce and Economic Opportunity. The estimated total cost of the project is \$1,757,150.00. As of April 30, 2021, \$179,118.79 had been expended.

NOTE E - DEFERRED COMPENSATION PLAN

The City maintains a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The deferred compensation plan is available to all City employees and permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

Amendments to the laws governing Section 457, deferred compensation plans, substantially became effective January 1, 1997. The City approved plan amendments such that plan assets are held in trust, with the City serving as trustee, for the exclusive benefit of the plan participants and their beneficiaries. The assets will not be diverted to any other purpose. The City's beneficial ownership of plan assets will be held for the further exclusive benefit of the plan for the exclusive benefit of participants and beneficiaries.

It is the opinion of the City's legal counsel that the City, as trustee, has no liability for plan losses but does have the duty of due care that would be required of an ordinary prudent investor.

Total plan assets as of March 31, 2021 (latest information available) held by Nationwide Retirement Solutions was \$167,085.88.

NOTE F - VACATION, SICK PAY AND OTHER EMPLOYEE BENEFITS

Accumulated unpaid vacation and sick pay amounts for governmental fund types are not accrued in the fund financial statements because they would not normally be liquidated with expendable available financial resources. The accumulated amount is recorded on the accrual basis in those funds on the government-wide financial statements.

Accumulated unpaid vacation and sick pay amounts for proprietary funds are recorded on the accrual basis in those funds on both the fund financial statements and government-wide financial statements.

Accumulated vacation and sick pay liability at April 30, 2021 is as follows:

	Balance May 1, 2020	Increases	Decreases	Balance April 30, 2021
Governmental Activities:				
General Fund	\$ 25,839.29	\$ 2,750.16	\$ -	\$ 28,589.45
Business-Type Activities:				
Water Fund	10,361.16	-	671.23	9,689.93
Sewer Fund	9,870.69	922.81	-	10,793.50
	<u>20,231.85</u>	<u>922.81</u>	<u>671.23</u>	<u>20,483.43</u>
 Total	 \$ 46,071.14	 \$ 3,672.97	 \$ 671.23	 \$ 49,072.88

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

NOTE G - DEFINED BENEFIT PENSION PLAN

Plan Description – The City’s defined benefit pension plan provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The City’s plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of a multi-employer public pension fund. A summary of IMRF’s pension benefits is provided in the “Benefits Provided” section. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Comprehensive Annual Financial Report that includes financial statements, detailed information about the pension plan’s fiduciary net position, and required supplementary information. That report is available for download at www.imrf.org.

Benefits Provided – IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff’s Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Employees Covered by Benefit Terms – As of December 31, 2020, the following employees were covered by the benefit terms:

Retirees and beneficiaries currently receiving benefits	16
Inactive plan members entitled to but not yet receiving benefits	10
Active plan members	<u>9</u>
Total	<u><u>35</u></u>

Contributions – As set by statute, the City’s Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The City’s annual contribution rate for calendar year 2020 and 2021 was 11.22% and 10.46%, respectively. For the fiscal year ended April 30, 2021, the City contributed \$44,041.57 to the plan. The City also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by IMRF’s Board of Trustees, while the supplemental retirement benefits rate is set by statute.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

Net Pension Liability – The City’s net pension liability was measured as of December 31, 2020. The total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

Actuarial Assumptions – The following are the methods and assumptions used to determine total pension liability at December 31, 2020:

Actuarial Cost Method:	Entry Age Normal
Asset Valuation Method:	Market Value of Assets
Price Inflation:	2.25%
Salary Increases:	2.85% to 13.75%
Investment Rate of Return:	7.25%
Retirement Age:	Experience-based table of rates that are specific to the type of eligibility condition. Last updated for the 2020 valuation pursuant to an experience study of the period 2017-2019.
Mortality:	For non-disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median, income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return to the target asset allocation percentage and adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Portfolio Target Percentage	Long-Term Expected Real Rate of Return
Domestic Equity	37%	5.00%
International Equity	18%	6.00%
Fixed Income	28%	1.30%
Real Estate	9%	6.20%
Alternative Investments	7%	2.85-6.95%
Cash Equivalents	1%	0.70%
Total	100%	

Single Discount Rate – A single discount rate of 7.25% was used to measure the total pension liability. The projection of cash flow used to determine this single discount rate assumed that the plan members’ contributions will be made at the current contribution rate, and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. The single discount rate reflects:

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

1. The long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits), and
2. The tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating (which is published by the Federal Reserve) as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of the most recent valuation, the expected rate of return on plan investments is 7.25%, the municipal bond rate is 2.00%, and the resulting single discount rate is 7.25%.

	Pension Liability	Plan Net Position	Net Pension Liability (Asset)
Changes in the Net Pension Liability (Asset):	<u>(A)</u>	<u>(B)</u>	<u>(A) – (B)</u>

NOTE H - LOAN RECEIVABLE

In June 2014, the City made a \$150,000.00 economic development loan to Ski-Four, Inc. This loan is for 20 years at 1.625% annual interest with monthly payments of \$732.47. The final loan payment is due July 1, 2034. At April 30, 2021, the unpaid principal balance was \$107,164.85.

NOTE I - LONG-TERM DEBT

The following is a summary of long-term debt transactions for the year ended April 30, 2021:

	<u>Balance May 1, 2020</u>	<u>Additions</u>	<u>Retired</u>	<u>Balance April 30, 2021</u>	<u>Amount Due Within One Year</u>
Business-Type Activities:					
Bonds Payable	<u>\$ 87,175.23</u>	<u>\$ 55,000.00</u>	<u>\$ 87,175.23</u>	<u>\$ 55,000.00</u>	<u>\$ -</u>

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

The City issued \$600,000.00 of general obligation waterworks and sewerage bonds, Series 2005. First Neighbor Bank is bond registrar and paying agent. Bonds are dated March 15, 2005, with final payment due March 15, 2025. Principal and interest payments at 5.50% are due annually on March 15. In October 2017, the City made an additional principal payment of \$100,000.00 and the City Council approved an ordinance amending the terms and provisions of the general obligation waterworks and sewerage bonds, Series 2005. Principal and interest payments at 2.50% are due annually on March 15 and the final payment is due March 15, 2022. The City paid off the bonds early on March 1, 2021. At April 30, 2021, the outstanding liability was \$0.00.

The City approved an ordinance authorizing the issuance up to \$1,100,000.00 of waterworks and sewerage system revenue bonds for the purpose of sewer treatment facility improvements. Bonds are dated March 8, 2021, with final payment due May 1, 2060. Principal payments are due annually on May 1 and interest payments of 1.25% are due semi-annually on May 1 and November 1. At April 30, 2021, the outstanding liability was \$55,000.00. The entire amount has not been drawn down.

Annual future maturities are summarized as follows:

Year Ended <u>April 30</u>	<u>Business-Type Activities</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2022	\$ -	\$ 406.21	\$ 406.21
2023	-	687.50	687.50
2024	25,000.00	531.25	25,531.25
2025	25,000.00	218.75	25,218.75
2026	<u>5,000.00</u>	<u>31.25</u>	<u>5,031.25</u>
Total	<u>\$ 55,000.00</u>	<u>\$ 1,874.96</u>	<u>\$ 56,874.96</u>

NOTE J - OTHER LONG-TERM LIABILITIES

The following is a summary of other long-term liability transactions for the year ended April 30, 2021:

	Balance May 1, 2020	Additions	Payments	Balance April 30, 2021	Amount Due Within One Year
Governmental Activities:					
TIF District redevelopment project	\$ 145,417.70	\$ -	\$ 13,798.76	\$ 131,618.94	\$ 15,314.42
Business District redevelopment project	<u>91,593.23</u>	<u>-</u>	<u>10,383.27</u>	<u>81,209.96</u>	<u>10,673.65</u>
Total Governmental Activities	<u>\$ 237,010.93</u>	<u>\$ -</u>	<u>\$ 24,182.03</u>	<u>\$ 212,828.90</u>	<u>\$ 25,988.07</u>

The City signed a redevelopment agreement with Westmore Equities, LLC in January 2011 to reimburse costs for the construction of a new building for a retail business in the City's TIF District. The City is to reimburse Westmore Equities, LLC 75% of TIF property tax revenues on the property annually until the Neoga Tax Increment Financing District #1 expires in 21 years. The maximum amount to be paid over that period is \$250,000.00. It can be reasonably estimated that the City will pay the maximum amount in the agreement.

The City signed a redevelopment agreement with Westmore Equities, LLC in September 2010 to reimburse costs for the construction of a new building for a retail business in the City's Business District. The City is to reimburse Westmore Equities, LLC 100% of the Business District sales tax revenues collected on the property annually until the Neoga Business District expires in 21 years. The maximum amount to be paid over that period is \$158,000.00. It can be reasonably estimated that the City will pay the maximum amount in the agreement.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

NOTE K - MAJOR CUSTOMER

On March 30, 2000, the City signed an agreement with Shelby County Energy Center, LLC for its water usage at \$0.315 per 1,000 gallons with a minimum monthly water fee of \$600.00 per month to be adjusted annually. As consideration of discharge, the user fee will equal \$2.65 per 1,000 gallons of water discharged by Shelby County Energy Center, LLC to the Neoga Wastewater Treatment System with a minimum fee of \$3,500.00 per month to be adjusted annually.

On August 10, 2020, the City signed an agreement with Shelby County Energy Center, LLC to accept its wastewater up to a daily maximum of 192,000 gallons per day and an annual maximum of 15,000,000 gallons. As consideration of discharge, the user fee will equal \$0.85 per 100 gallons of water discharged by Shelby County Energy Center, LLC to the Neoga Wastewater Treatment System. The fee will be adjusted to keep the fee equal to the wastewater fee charged to residential wastewater customers at the time of the billing. In the event the fee is less than \$70,000.00, a true up payment will be made at the end of the calendar year to adjust the billing to \$70,000.00. The agreement is for 10 years. On a monthly basis, the Center shall reimburse the City for the cost of electricity associated with operating the Lake Facilities.

Shelby County Energy Center, LLC paid \$80,362.17 or 11.44% of water and sewer revenue to the City during the fiscal year ended April 30, 2021.

NOTE L - LEASE AGREEMENTS

The City has a cash rent farm lease dated April 26, 2021 for farm land owned by the City. The lease term is from March 1, 2021 through February 28, 2023 with the option to extend or sign a new lease at the end of the term. The tenant will pay the City \$262.00 per acre for a total of \$11,289.58 annually. The City recognized lease revenue of \$11,289.58 for the year ending April 30, 2021.

The City has a lease agreement with Eastern Illinois Area of Special Education dated September 14, 2020. The lease term is from June 1, 2020 through May 31, 2021. The agreement includes a base rental amount of \$1,000.00 per month, common area maintenance fee of \$75.00 per month, and reimbursement for the cost of water, sewer, electric, gas, and internet services of \$175.00 per month. The City recognized lease revenue of \$15,000.00 for the year ending April 30, 2021.

The City has a lease agreement with Modern Family Dinners, LLC dated November 25, 2019 for use of a portion of the building and real estate owned by the City and located at 641 West 6th Street, Neoga, IL. The lease term is from December 1, 2019 through May 31, 2020 and has renewed on a month-to-month basis. The agreement includes a base rental amount of \$500.00 per month. The City recognized lease revenue of \$6,000.00 for the year ending April 30, 2021.

The City has a lease agreement with Neoga Community Food Pantry, Inc. dated October 13, 2020 for use of a portion of the building and real estate owned by the City and located at 641 West 6th Street, Neoga, IL. The lease term is from November 1, 2020 through October 31, 2025. The agreement includes a base rental amount of \$180.00 per month. The City recognized lease revenue of \$2,160.00 for the year ending April 30, 2021.

The City has a lease agreement with Grace United Methodist Church, Neoga Backpack Ministries, dated October 13, 2020 for use of a portion of the building and real estate owned by the City and located at 641 West 6th Street, Neoga, IL. The lease term is from November 1, 2020 through October 31, 2025. The agreement includes a base rental amount of \$80.00 per month. The City recognized lease revenue of \$960.00 for the year ending April 30, 2021.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

The City has a lease agreement with Strong Beginnings: Early Learning Center, Inc. dated October 13, 2020 for use of a portion of the building and real estate owned by the City and located at 641 West 6th Street, Neoga, IL. The lease term is from November 1, 2020 through October 31, 2025. The agreement includes a base rental amount of \$300.00 per month. The City recognized lease revenue of \$1,800.00 for the year ending April 30, 2021.

NOTE M - RISK MANAGEMENT

The City is exposed to various risks of loss including, but not limited to, general liability, property casualty, workers compensation and public official liability. To limit exposure to these risks, the City purchases commercial insurance.

NOTE N - MAJOR SUPPLIERS

On February 1, 1996, the City of Neoga entered into a raw water supply contract with the City of Mattoon. The City of Neoga would pay \$.2784 per thousand gallons of water. The rate per thousand gallons of water is adjusted at two-year intervals in accordance with the change in the "Monthly Review of the Bureau of Labor Statistics of the United States Department of Labor" (commonly known as the cost of living index for Chicago, Illinois). The term of the contract was nineteen years and expired February 1, 2015. No new contract has been signed. The terms of the expired contract continue to be used. For the year ended April 30, 2021, the City of Neoga purchased \$15,734.31 in raw water from the City of Mattoon.

On November 27, 2017, the City approved a water supply agreement with EJ Water Cooperative, Inc. The City will pay an initial rate of \$2.90 per 1,000 gallons to purchase water. An annual adjustment will be made to the rate beginning January 1, 2021 in accordance with the consumer price index. The term of the agreement is 40 years beginning on the first day of delivery of water. For the year ended April 30, 2021, the City of Neoga purchased \$16,061.53 in treated water from EJ Water Cooperative, Inc.

NOTE O - COMMITMENTS

On October 15, 2019, the City Council approved a TIF grant to Varner & Rawlings, Inc. to redevelop, rehabilitate, and repair the existing HVAC service commercial building located in the redevelopment project area. The City will reimburse Varner & Rawlings, Inc. an amount equal to the actual costs of the redevelopment not to exceed \$89,856.00 for costs incurred on or before April 30, 2021. As of April 30, 2021, \$79,356.00 had been expended for the project from the Tax Increment Financing Fund and \$10,500.00 remains on the commitment.

On October 28, 2019, the City Council approved a TIF grant to G & M Restoration, Inc. to redevelop, rehabilitate, and repair the existing commercial building located in the redevelopment project area. The City will reimburse G & M Restoration, Inc. an amount equal to the actual costs of the redevelopment not to exceed \$122,782.12 for costs incurred on or before April 30, 2021. As of April 30, 2021, \$120,933.12 had been expended for the project from the Tax Increment Financing Fund and \$1,849.00 remains on the commitment.

NOTE P - RISKS AND UNCERTAINTIES

On March 11, 2020, the World Health Organization announced a global pandemic because of the coronavirus disease (COVID-19). The outbreak continues to cause disruption of business operations, cause reduced consumer spending, and have adverse effects on economic and market conditions. Accordingly, it is likely the City's financial position and results of future operations will be negatively affected; however, the extent of the impact will depend on future developments.

CITY OF NEOGA, ILLINOIS
NOTES TO FINANCIAL STATEMENTS

NOTE Q - SUBSEQUENT EVENT

The City has been notified of a \$217,782.62 allocation from the Coronavirus Local Fiscal Recovery Fund. The funds are to provide a substantial infusion of resources to meet pandemic response needs, address its economic fallout, and lay the foundation for a strong and equitable recovery. Recipients may use the funds to support public health expenditures, address negative economic impacts caused by the public health emergency, replace lost public sector income, provide premium pay for essential workers, and invest in water, sewer and broadband infrastructure. The City received an advance of 50% of the funds, or \$108,891.31 in September 2021 and the remaining balance will be received approximately 12 months later.

NOTE R - PRIOR PERIOD ADJUSTMENT

In the prior year, a grant receivable and related grant revenue were recorded for the wastewater treatment plant improvement project. It was determined that the engineering costs incurred would not be reimbursed by the USDA grant and instead would be paid from the USDA loan. The correction of the error and related restatement of net position for the business-type activities and proprietary fund financial statements is below:

	<u>Business-Type Activities</u>	<u>Sewer</u>
Net position, beginning of year	\$ 4,290,392.39	\$ 1,744,679.58
Prior period adjustment	<u>(54,999.00)</u>	<u>(54,999.00)</u>
Net Position, End of Year, as Restated	<u>\$ 4,235,393.39</u>	<u>\$ 1,689,680.58</u>

SCHEDULE OF EMPLOYER CONTRIBUTIONS (Continued)
December 31, 2020

Notes to Schedule:

Summary of Actuarial Methods and Assumptions Used in the Calculation of the 2020 Contribution Rate *

Valuation Date:

Actuarially determined contribution rates are calculated as of December 31 each year, which is 12 months prior to the beginning of the fiscal year in which contributions are reported.

Methods and Assumptions Used to Determine 2020 Contribution Rates:

Actuarial Cost Method:	Aggregate entry age normal
Amortization Method:	Level percentage of payroll, closed
Remaining Amortization Period:	23-year closed period
Asset Valuation Method:	5-year smoothed market; 20% corridor
Wage Growth:	3.25%
Price Inflation:	2.50%
Salary Increases:	3.35% to 14.25%, including inflation
Investment Rate of Return:	7.25%
Retirement Age:	Experience-based table of rates that are specific to the type of eligibility condition; last updated for the 2017 valuation pursuant to an experience study of the period 2014-2016.
Mortality:	For non-disabled retirees, IMRF specific mortality rates were used with fully generational projection scale MP-2017 (base year 2015). The IMRF specific rates were developed from the RP-2014 Blue Collar Health Annuitant Mortality Table with adjustment to match current IMRF experience. For disabled retirees, IMRF specific mortality rates were used with fully generational projection scale MP-2017 (base year 2015). The IMRF specific rates were developed from the RP-2014 Disabled Retirees Mortality Table applying the same adjustments that were applied for non-disabled lives. For active members, IMRF specific mortality rates were used with fully generational projection scale MP-2017 (base year 2015). The IMRF specific rates were developed from the RP-2014 Employee Mortality Table with adjustments to match current IMRF experience.
Other Information:	There were no benefit changes during the year.

*Based on Valuation Assumptions used in the December 31, 2018, actuarial valuation.

This schedule is presented to illustrate the requirement to show information for 10 years. However, until a full 10-year trend is compiled, information is presented for those years for which information is available.
