974 N 3150 East Rd.

Windsor, IL 61957

Blake Joseph Durdel was born August 23, 2008 to Brain & Amy Durdel of Neoga. At 3 weeks of age, he experienced health issues, airlifted to St. John's, Springfield and then to St. Louis Children's Hospital. After 43 days in the hospitals, he came home to the care of his parents and Hospice. After five months, Blake became an Angel on March 30, 2009. The annual "Blake's Shining Star" race has become a way for family and friends to remember him and provide donations to Hospice, who provided care for him and his family.
